

MaXi GARDEN BOARDS LAYING INSTRUCTIONS

The ideal walkway for the garden and camping

MaXi Garden boards impress with:

- Quick and easy laying through use of practical click system
- Flexible use as walkway in the garden, when camping or as a useful surface
- Non-slip surface structure
- Can be moved lengthways and crossways
- Can be extended in all directions
- Easy to remove and stack after use

Tips:

- Straighten the ground before laying the garden boards
- Hook the garden boards horizontally from top to bottom
- Saw the garden boards off in case of overlength
